

## President's Message

Dear NFRW Members:

We had a great meeting in April with Mike Boyle sharing the Vision 2032 Plan with us. This was and is a long term planning process for Nassau County. We were also fortunate to have Walter Furfidio, Chairman of Growth Management, in attendance to answer questions.

We have pictures of our trip to Tallahassee with former representative, Aaron Bean. As most of you know, Aaron was our representative in the Florida House from 2000 to 2008. He is currently running for the Florida Senate and graciously hosted us on this trip to our Capitol. We met with Governor, Charlie Crist, Commissioner of Agriculture and Consumer Affairs, Charles Bronson, and Attorney General, Bill McCollum. We also sat on the House Floor (the House was not in session and we actually sat on chairs) and watched the Senate in action from the gallery. Larry Williams, Chief of Staff to Janet Adkins, our current Representative, shared with us their schedules since Janet was elected. I hope that you enjoy the pictures as much as we enjoyed the trip.

By the time you receive this newsletter, the reception for John A. Boehner, will have occurred and I certainly hope that you were able to attend. Our next meeting on June 12 will have Janet Adkins giving us an update on what is happening in the State. I hope to see you all then.

Warmest regards, *Cherie Billings*
